Charlottesville Division

Civil Action No. 3:17-cv-00072-NKM  
Sines et al, Plaintiffs vs. Kessler et al, Defendant

Defendant Cartmell's Brief in Support  
of Venue Change.

JUL 02 2021

JULIA C. DUDLEY, CLERK  
BY: DEPUTY CLERK

Owing to uncanny timing on the part of  
the U.S. Marshall, and a Bureau of Prisons  
COVID Protocol which can only be describe  
as suspicious, I had no access to a  
telephone on June 4<sup>th</sup>, and have not  
seen or heard the Courts invitation  
to file briefs by June 11<sup>th</sup>. What I  
know, I know only from Plaintiff's  
motion for additional pages on the  
subject, which I have no objection  
to, and recieved on June 11<sup>th</sup>.

I fear security problems may pose a  
threat to the safety of Defense witnesses,  
Jurors, and Defendants in the City of  
~~Charl~~ Charlottesville. Even if those threats  
~~do~~ do not physically manifest, their all  
too real potential may negatively impact  
Jurors, and anyone who dares to speak  
the truth about this matter.

The Communists who attacked us have  
largely gotten away with their crimes.  
Commonwealth's Attorneys Joe Platania and  
Robert Tracci were supportive and fearful  
of the mob, respectively, and Mr. Tracci  
was replaced by a George Soros backed Candidate

The Daily Progress reported a "Mass Exodus" of officers from the Charlottesville Police Department in 2018, and given the political winds of that city, it seems foolish to guess that the strength and integrity of that department has since improved.

Last I was able to check, the Republican Party stopped running candidates for City Council. The Democrats only opposition now is the political wing of the Antifa terrorist group, the Democratic Socialists of America. This puts the inmates in charge of the asylum, so-to-speak, and does not portend good fortune for the forces of Truth, Justice, and Rule of Law.

I leave the question of where to go for those better informed than I. It is my understanding that Virginia has suffered tremendously under Democrat control of her State government, so there may be substantial challenges in finding a place less prone to so-called "stand down orders".

Respectfully Submitted
